

Remarks

This Preliminary Amendment is submitted together with the filing of a Divisional Application. It amends the specification, without the addition of new matter thereby, and deletes claims 1-6 without prejudice. These claims are deleted in favor of prosecuting claims 7-8 in this application, since they were restricted from the parent application.

Early and favorable consideration of the claims is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'L. E. Parker', is written over a horizontal line.
